Hi there! I'm currently a freelance illustrator and designer who is seeking to join a creative role within a team. I've been a creative all of my life and enjoy expressing myself through colors, shapes, and layout. I enjoy more simplistic designs, but I tend to stay very flexible so that I can adapt to different styles and always continue to learn and grow.

Experience

- Present **Freelance | Illustration / Graphic Design**
Regularly complete an assortment of customized digital illustrations, logo work, social media advertisements, and other various creative work for personal clients.
- 01/2016 - 03/2017 **Blitzen Clothing | Graphic Design / Production Artist**
Created novelty one and two color shirt designs, prepared files for print, and prepare templates to showcase designs on a digital platform.
- 06/2015 - 01/2016 **Office Ink Plus | Graphic Design / Production Artist**
Worked closely with business and individual clients to create personalized designs for branding, flyers, digital advertising, and other various promotional items, as well as prepared and finalized all items for print production.
- 08/2011 - 05/2012 **Carrollton Career Academy | Graphic Design Intern**
Assisted teaching by helping students understand projects and learning materials pertaining to Adobe Suite programs and basic graphic design.
